

WAKE UP FULL.

INTRODUCING THE ALL-NEW ELECTRIC APU FROM THERMO KING.

The TriPac™ doesn't just reduce the amount of diesel you burn while resting, it virtually eliminates it. Featuring Thermo King's industry-leading Smart Charger Module technology to optimize battery performance, the TriPac® delivers tighter temperature control, a longer run time and superior cooling capacity. And it's backed by the 200+ locations of the Thermo King dealer network. See your Thermo King dealer and learn more today!
