

X430 Reciprocating Compressors

The heart of Thermo King trailer units.

TRANE
TECHNOLOGIES

CHOOSE ONLY GENUINE THERMO KING

NEW COMPRESSORS

Don't risk losing a load to compressor failure

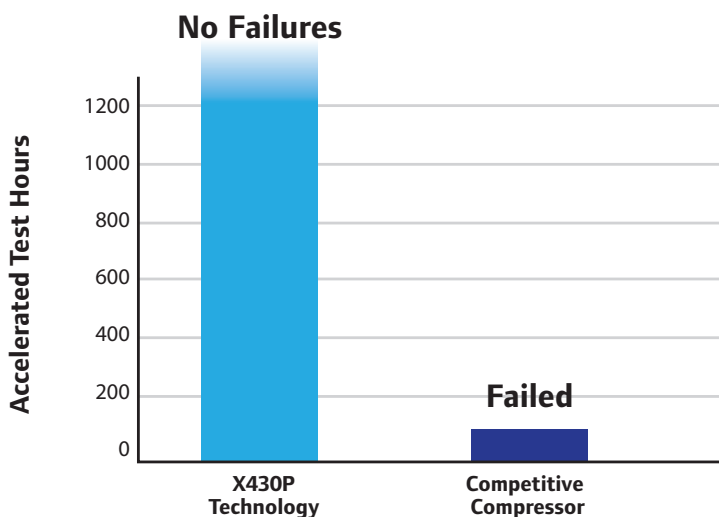

Genuine Thermo King compressors with X430P Shaft Seal Technology offer greater reliability, longer life and a market-leading nationwide warranty.

X430P Compressor with Shaft Seal Technology

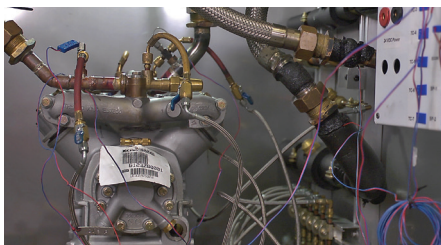

- Industry leading shaft seal design improves reliability by 85%
- Integrated internal oil filter reduces leaks and install time
- 3-year nationwide warranty with extended options available

(3-year warranty on dealer-installed compressors and 2-year warranty on customer-installed compressors.)

Accelerated Shaft Seal Testing

*Thermo King shaft seals offer greater durability for longer life than competitive shaft seal designs.**

Choose Genuine Thermo King

New compressors with X430P Shaft Seal Technology were developed by a dedicated team of Thermo King engineers and tested extensively in state-of-the-art R&D centers for highest performance and longer life to exceed customer expectations.

HERMO KING COMPRESSORS

REMAN COMPRESSORS

Not just rebuilt... totally remanufactured.

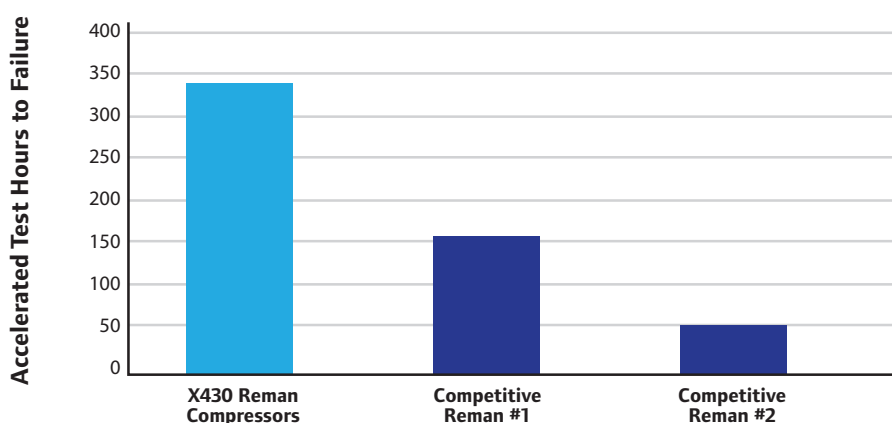

The Thermo King X430 compressor is remanufactured to meet the same design and engineering specification as original X430 compressors.

X430 Compressors

- Market-leading durability with up to 7x longer life than competitive designs*
- Remanufactured to original reliability and performance standards
- 2-year nationwide warranty with extended options available

(2-year warranty on dealer-installed compressors and 1-year warranty on customer-installed compressors.)

Accelerated Durability Testing

A complete range of compressors:

Type	Part Number	Description
New Exchange	802-1147	X430P Compressor with 4 Quart Sump
	802-1148	X430P Compressor with 7 Quart Sump
Remanufactured	810-2940	X430 Compressor with 4 Quart Sump
	810-2975	X430 Compressor with 7 Quart Sump

* Durability results are based on side-by-side testing.
