

ALTERNATORS

Choose only Genuine Thermo King alternators.

GENUINE THERMO KING ALTERNATORS

Genuine Thermo King alternators are designed specifically for your demanding application. Choose from extended life OE or standard life plus. We have the right alternator to suit your business need.

EXTENDED LIFE OE

- Delivers the same performance and life as factory-new Thermo King components
- Maximum corrosion resistance with epoxy powder coat paint and stainless steel hardware
- 2-year parts warranty

STANDARD LIFE PLUS

- Completely new alternators deliver reliable performance you can count on
- Fully backwards-compatible for all applicable Thermo King units
- 18-month parts warranty
